

CORPORATE PRESENTATION Q1 2025

WHO WE ARE

OUR COMPANY

European DataWarehouse GmbH (EDW) is a Securitisation Repository designated by both the European Securities and Markets Authority (ESMA) and the Financial Conduct Authority (FCA). EDW operates as a market utility aimed at enhancing transparency for investors and other participants in the ABS market and facilitates the **collection**, **validation**, **and distribution of loan-level data** for securitisations and private whole loan portfolios.

EDW was established in 2012 as part of the European Central Bank's ABS Loan Level Initiative, and has been fully operational since January 2013

WHO WE ARE

OUR CLIENTS

Reporting entities, such as originators, issuers, sponsors, and servicers upload asset-backed securities data to EDW's platform while data users, including investors, data vendors, rating agencies, and public institutions, use EDW's for monitoring and risk assessment purposes.

OUR TEAM

Our expert team supports over 500 clients in more than 15 languages, ensuring seamless, client-focused services.

CORPORATE GOVERNANCE

EDW is funded and owned by a mix of 16 market participants including large corporations, professional organisations, and banks, and has a unique has a two-tier governance system and pricing committee.

SUPERVISORY BOARD

The supervisory board is responsible for setting and monitoring the strategy and operations as a market initiative.

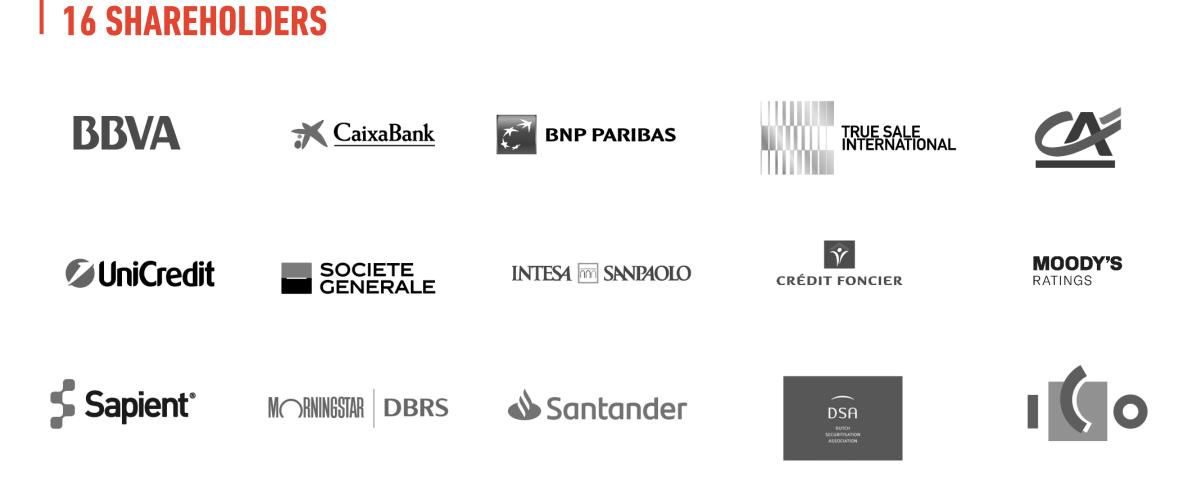

PRICING COMMITTEE

8 members from the ABS industry set the client fee structure, adhering to our trusted utility approach.
